1. Introduction

1.1. School Information

At Hollywood Primary School we take complaints very seriously. We have the best interests of all our pupils and their families at the centre of all we do. Open communication and regular engagement between the school, parents/carers and other stakeholders is vital to nurturing positive relationships within our school community.

The procedure covers all matters relating to the actions of staff employed in the school and the application of school procedures, where they affect individual pupils. However, school staff, and the Board of Governors recognise the difference between a concern and a complaint. Taking informal concerns seriously at the earliest possible stage will reduce the numbers that develop into formal complaints. If concerns are dealt with at an early stage, then they are more likely to be resolved and there is no unnecessary dissatisfaction.

If you have any issue, please talk to the teacher as soon as possible. We would request parents to be mindful that teachers are not available in the mornings as they have pupils to settle into their school day. Additionally, after pupils leave in the afternoon, many members of staff are attending meetings or taking After School Clubs.

Concerns about matters other than in the classroom should be raised with the Head of Key Stage Leaders. They in turn will relay matters to the Principal. The Principal will become involved at an appropriate point thereafter.

We welcome communication with our staff. Parents / carers can do this by contacting staff as outlined below:

We take all issues seriously and make every effort to resolve matters as quickly as possible.

2. Scope of the Complaints Procedure

A complaint is described as an expression of dissatisfaction with our work.

2.1 Complaints with Established Procedures

Our school Complaints Procedure sets out how any expression of dissatisfaction relating to the school will be managed. By taking complaints seriously at the earliest possible stage, it is hoped that they can be resolved quickly and effectively.

Some examples of complaints dealt with:

- Not following school policy
- Communication delays / lack of communication
- Difficulties in staff / pupil relationships

This procedure should not be used for complaints with separate established procedures, however if your complaint relates to the school's failure to correctly administer any of these procedures, then you may complain by means of this procedure.

Some examples of statutory procedures and appeal mechanisms, which are not part of the schools complaints procedure, are listed below. The list is not exhaustive. The Principal or Chairperson of Governors will advise on the appropriate procedure to use when a complaint is raised.

Exceptions
<ul style="list-style-type: none">• Admissions / Expulsions / Exclusion of children from school• Statutory assessments of Special Educational Needs (SEN)• School Development Proposals• Child Protection / Safeguarding

2.2 Anonymous Complaints

The school will not normally investigate anonymous complaints, unless deemed by the Chairperson of the Board of Governors to be of a very serious nature. The decision of dealing with such complaints will be at the discretion of the chairperson of the Board of Governors.
