

Primary 5 Term 2

Happy New Year!

Here are some of the topics we are planning to do in Primary 5 in Term 2. There are too many to list, but we hope this information sheet will help you when you are talking to your child about their learning in school.

Mathematics

- Continue work on addition, subtraction, multiplication and division
- Problem solving involving the 4 processes of addition, subtraction, multiplication and division
- Digital and analogue time – durations and timetables, **12hr clock only**
- Money and associated problems
- Fractions – naming, equivalent, ordering
- Triangles- equilateral, isosceles and scalene
- Tessellation
- Symmetry

Literacy

- Writing letters
- Descriptive writing
- Prepare a power point presentation on a given topic
- Research topics using reference books and the internet
- Reading- guided, shared and home reading activities
- Grammar- Proper nouns, homophones, opposites, adverbs, gender, joining words
- Spellings- learning spellings and exploring patterns

The World Around Us

- Energy- in our homes, energy sources, conservation of energy
- Sound
- Skeleton- names of bones, purpose of the skeleton
- USA - Rosa Parks, Martin Luther King, Abraham Lincoln
- Stone Age

We will also:

- Take part in Chester's Challenge – Chest, Heart and Stroke
- Young Enterprise – The City
- Learn what the Bible teaches us about the Disciples
- Use the computer for a wide range of different activities
- Discuss the benefits of healthy eating and a healthy lifestyle

..... and much more!

We greatly appreciate your help in the supervision of homework and would ask you to sign all written homework. Please ensure your child has pencils, glue sticks etc for the new term.

Please send an email if you need to contact your child's teacher. Please also email the class teacher if your child is absent. You are not required to contact the School Office about absences. Thank you for your continued support.

Mrs Brown , Miss Riddell , & Mrs Wilson
