

WEEK 6

FRIDAY FUN FACTS

Polar bears don't drink water! They get all the liquids that they need to survive from the animals that they eat

Your feet have 500,000 sweat glands

The human brain (when awake) produces enough electricity to power a 40watt lightbulb for 24 hours.

A hippo's lips are about 2 feet wide.

The word 'Listen' contains the same letters as the word 'Silent'.
